

KIDS CLUB

HERE'S WHAT YOU GET AS A KIDS CLUB MEMBER!

YOUR OWN SPECIAL MEMBERSHIP CARD - HOW GOOD IS THAT!

Once you join Kids Club, you get your own special membership card sent with your email confirmation. It has your own name and your own membership number!

Make sure you bring this along to Jamberoo every time you visit – you must have your card (or your email verification) to claim your free ice-cream and any special offers! If something happens to your card, simply go to the 'reprint your card' option in the Kids Club home page.

ACCESS TO THE KIDS CLUB MEMBER'S WEBSITE

No grown-ups allowed – it's for kids club members ONLY! When you register you will get your special access code, which you need to use each time you log in. Please note - only one name can be used per email address.

And it's so much fun to visit. You can play the latest games, download cool things, and get the latest Jamberoo news. Not to mention finding our latest offers and competitions! We will add new things every month so make sure you keep visiting!

FREE ICE-CREAM EVERY TIME YOU VISIT JAMBEROO

You heard right – a free ice-cream just for turning up! And you can choose the flavour! Remember you need your membership card on the day to claim it – so don't forget it. Just see the friendly staff at the Souvenir Shop and they will issue a voucher to claim at Bombora Scoop.

Now Mum and Dad won't be happy if you eat too much – so you only get one ice-cream each visit. Sammy the Shark will know if you try more than once!

CHANCE TO WIN COOL STUFF IN OUR COMPETITIONS

Who doesn't want to win something – especially Jamberoo stuff! We will be running competitions every month – all you need to do is log in to the site and enter. You will only be able to enter each competition once. C'mon it's fair to give everyone a chance!

SPECIAL OFFERS – ONLY FOR KIDS CLUB MEMBERS

We like spoiling our Kids Club members – so we give you special offers no one else has! Note there are special conditions on these offers – like how you claim them, that you can only do it once. They are all listed on the offer section of the website. Offers can also be revoked at any time.

VIP BIRTHDAY PARTY TREATMENT!

Your birthday is a special time and Jamberoo thinks so too! We will send you a birthday card via email on your birthday – so make sure you have listed the correct birthdate and email address on your details so you receive it on time.

And we have special birthday party offers just for you! If you book your birthday party at Jamberoo during our season (see our birthday party package on the Jamberoo website - remember you must book and pay at least 2 weeks in advance), you get:

- * **FREE** entry for you as the special birthday person!
- * **A special visit from Sammy the Shark during lunch**
- * **A BIRTHDAY GIFT!**

(You **MUST** mention that you are a Kids Club member when booking to get these special extras.)
